Motorsport UK competitors license's.

As you are by now all aware Motorsport UK have made a lot of changes for competing in 2020, one of the main ones is that all competitors even at club level that previously you could do events on your membership card you now need a licence, these are free of charge at club level, to make this easier for you to do on a Wednesday Evening towards the end of January or beginning of February we will be holding an evening where we will have a couple of lap tops so that we can obtain your licence with you, once you get on the right page on the Motorsport UK web site it can be done very quickly, as soon as we have set a date up for it you will be emailed with the details.

Membership Fee's.

Please note if you have not renewed your membership for 2020 it is now overdue, please complete the attached form and return with the appropriate fee to the Membership Secretary Simon Law.

AGM & Awards Presentation.

The AGM and Awards presentation will be held in the large room at the Plough Inn on Wednesday 26th February 2020 at 9-00 pm. It is important that as many club members as possible attend this meeting so that we can reflect back on the highs and lows and achievements in 2019 and also the committee will be able to bring you up to date with the clubs plans for 2020.

Trophies.

Should you be in possession of any club trophies now is the time to take them off the shelf or out of the cupboard and clean them up, so that you can return them to Simon Law to enable us to present them at the 2020 AGM and Awards Evening.

The Phillip Brook Memorial Shield.

Nominations are invited for the above award. The award is presented annually to a member of the club who, in the opinion of the club officials has contributed to further the goodwill and fellowship within the club.

Nominations must be in writing and signed by two club members giving reasons for the nominations and sent to the Club Secretary, Derek Slater, 85 Howard Crescent, Durkar, Wakefield. WF4 3AN, or email to derekslater2004@yahoo.co.uk by Wednesday 22nd January 2020.

Members Activities.

Club members have been involved on the following over the last couple of months; WDMSC Karting, Roger Albert Clark Rally, Beverly MC Beaver Road Rally.

As club members if you have been involved either competing or marshalling on any events that have not been mentioned please

inform Derek Slater on derekslater2004@yahoo.co.uk and we will happily give them a mention and what would be even better would be if you sent a short description of what happened on the event.

Marshalling.

Sat/Sun 8/9 February Bruce Robinson Road Rally Lincoln MC & CC (ANCC)

At this point in time I have no information on any dates for 2020, suggest you keep checking on the ANCC web site for the time being.

Events Marked (ANCC) are the Association Championship events.

For all matters to do with marshalling if you require more up to date information please contact the Club Chief Marshal Sue Rylatt on 01484 866023 (H) or 07779 857707.

At the time of Printing I have no further dates from ANCC or come to that from anywhere else, as soon as I have the confirmed list of events and dates I will forward it on to you.

2020 Club Championship.

Events and dates are being looked at by the committee for 2020, Motorsport UK have not made this any easier this year with all the changes they have being making, but rest assured we will come up with a programme of events and as soon as there is a list of them I will email you all with the list, however it could be two or three months before that list appears.

LAND FOR EVENTS.

We are always on the lookout for land to use on events, in particular a hard surface area for Autotests, and we are always on the lookout for fields for Autotests and Car Trials to try and prevent over use of the ones we are currently using, if you can get us a lead into any land of this description please talk to a member of the committee about it.

Events Organised by Other Clubs.

To give you the opportunity to get involved with events organised by other clubs, which as we are an invited club they will count towards Wakefield DMSC 2019 Club Championship, we will try and keep you up to date with the events in this section as each newsletter come out.

However please note the onus is on you the competitor to claim the points by letting Derek Slater have a copy of the results for each event you enter within one month of the event, he will not be chasing them.

We currently have no dates in our possession for this section.

Event Results.

Please find attached else where in the newsletter the final championship points for the 2019 club championship for overall champion and challenges.
